WE'RE "THE" SURREY COMPANY...

The story of the Surrey in the United States is the story of International Surrey Company LTD. In 1970 we began as a Surrey rental business in Florida and Texas. With over 39 years of Surrey rental, import/distribution, manufacturing and export experience, we are widely recognized as the *premier* Surrey and leisure cycle company. No other company in the world has rented, distributed and manufactured these distinctive, four wheel cycles.

We are recognized as the industry leader for good reason. Whether purchasing a Surrey for your home or several for your business, when you purchase from International Surrey Company LTD., you know that you will benefit from our four decades of experience and unparalleled quality. We also have the *first Surrey*

showroom in the world. Visitors come from all over the globe to experience our industry leading products. Call for an appointment today!

International Surrey Company LTD. does not wait for new designs to originate in a foreign country. We use our extensive knowledge and experience to constantly modify and improve our products by merging yesterday's experience with today's bicycle technology. From components like LED head and tail lamps, aluminum alloy rims and stainless steel spokes to our Easy 7 Speed Shimano Gearing Package, we innovate while our competitors imitate, which is why International Surrey Company LTD. is "*The*" Surrey Company, and everyone else isn't!

OUR INNOVATION FOR OTHER'S IMITATION

What we enjoy most at International Surrey Company LTD. is utilizing our four decades of Surrey experience to continue to innovate. We constantly look for new ways to make your Surrey experience more enjoyable. Our formula for industry leading success is simple. We innovate. Others imitate.

EXCLUSIVE GEARING

We offer the first and only 7 speed gearing package specially engineered for our Surrey. We also offer the only 26 tooth rear sprocket to achieve the lowest and easiest gearing for a Surrey in the world.

For many years, Surreys have been difficult to operate in areas with hills, inclines and windy conditions. The Easy 7 Speed Shimano Gearing Package makes the Surrey Deluxe and Surrey Limousine Deluxe a pleasure to ride in all conditions. No Surrey is complete without the Easy 7 Speed Shimano Gearing Package!

UNIQUELY SURREY COMPANY

Each International Surrey Company Surrey comes complete with uniquely formulated touch up paint that will keep your Surrey looking new for years to come.

INTEGRATED ACCESSORIES

Do not worry about getting thirsty while out enjoying a Surrey ride. We offer the only fully integrated dual drink holder, which includes the Surrey Company water bottle, that mounts directly to the specially designed handle bar.

Optional, fully integrated, rear view mirrors allow the driver to see others approaching from the rear. Like the dual drink holder, the rear view mirrors mount to our specially designed handle bar.

Our exclusive, highly efficient, battery powered, optional LED headlamps with two operational settings provide full time, bright lighting.

International Surrey Company LTD. offers the *largest selection* of optional Surrey accessories in the industry, including:

Surrey Safety Flag
ISC Uga Horn
Surrey Storage Bag

ISC Surrey Bell
Surrey Storage Basket
AM/FM Surrey Radio

VOLT

ELECTRIC MOUNTAIN BIKE

I'M ELECTRIC

Our new line of hybrid cycles combines high quality bicycle components with electric hybrid technology that allows the rider to utilize traditional pedal power or electric power to motivate the bike. The Volt is an aluminum alloy mountain bike that features a 7 speed rear derailleur system as well as a rear 24V brushless electric motor powered by a 400 watt motor and light weight Li-Ion battery. The Volt is popular among urban mountain bike riders that use their mountain bike for recreational riding and transportation around town.

IMPELLO™

P E D A L P O W E R E D F U N S E T I N M O T I O N

NEW!

The Surrey Company's latest offering, **IMPELLO**, is a new twist on an old idea. **IMPELLO**, to set in motion in Latin, is a unique three wheeled, recumbent cycle that is both light weight and durable. The recumbent, adjustable seating provides the riders with a comfortable cycling advantage. The unique **IMPELLO** concept has a history of being wildly successful in the rental business because it is fun to ride.

IMPELLO is available with the Easy 7 Speed Shimano Gearing Package, which allows the driver and passenger to enjoy a selection of seven gears together. Other options will include electric assist, stylish awning top, windshield and lights, with many more to come.

IMPELLO is offered exclusively by The Surrey Company and proves there are limits to what others can imitate. **IMPELLO** steps out of the leisure cycle realm and into alternative transportation for trips to the neighborhood grocery store, school, parks and all other destinations for *PEDAL POWERED FUN SET IN MOTION*.

WHAT OUR CUSTOMERS ARE SAYING...

"You are outstanding at what you do, and I am so deeply appreciative to you for your help."

Linda W. from Michigan

The UV protected polyethylene and ABS body combines long lasting strength with light weight efficiency.

The Surrey Company's exclusive rear alloy steel differential axle permits dual rear wheel drive and incorporates a rear disc brake.

The spacious interior provides plenty of room for the two adjustable bucket seats providing the riders with recumbent comfort.

Aluminum alloy sealed bearing wheels include stainless steel spokes.

The reinforced steel chassis is designed to withstand the rigors of a commercial rental business but light enough to provide an easy, enjoyable ride.

SurreyTM DELUXE

International Surrey Company LTD.'s Surrey Deluxe is the finest Surrey in the world. *The Surrey Company* reintroduces many time tested features in the Surrey Deluxe. On the industry leading Surrey Deluxe, designed for up to 3 adults and 2 children, the seating arrangement and pedal placement provide the greatest cycling advantage available, which means an easier more pleasurable ride. Aluminum alloy wheels and cranks, heavy gauge stainless steel spokes (the strongest in the industry), high quality stainless steel frame components and aluminum fenders are all standard equipment. From the patented, stylish child seat, the first of its kind offering two independent sets of handle bars for the children, to the fully integrated dual drink holder and mirror mounts, the Surrey Deluxe is guaranteed to keep the competition scratching their heads trying to imitate *The Surrey Company*.

WHAT OUR CUSTOMERS ARE SAYING...

"We are enjoying the new Surrey. We took it for a test run and have had it out every night since. We won the "Best Little Float Award" in the parade. Thanks again."

Max D. from Texas

SURREY DELUXE BECAUSE DETAILS MATTER...

The optional Easy 7 Speed Shimano Gearing Package is specially engineered and exclusively offered by The Surrey Company. It is 7 speeds of fun!

Our patented, fully padded child seat with safety straps and dual handlebars ensures that the kids ride in the same comfort as mom and dad and makes the kids' ride fun!

The best designed frame that maximizes strength while minimizing weight.

High quality, aluminum alloy cranks with sealed bearing bottom brackets are superior to the cheap steel cranks that are standard in the industry.

The "Wide Track" front wheel base design provides greater lateral stability in turns.

The reinforced carbon steel frame is painted with 49 series Tiger Drylac oven baked powered coat paint, guaranteed not to fade.

The Surrey Deluxe comes standard with foam injected, ergonomic seats, front and rear LED lamps, stainless steel nuts, bolts and washers, heavy duty brake cables, industrial grade nickel plated chain and aluminum alloy, sealed bearing wheels, which include 10 gauge stainless steel spokes, the strongest in the industry.

The awning is high quality, Sunbrella marine grade canvas, which is far superior to cheap plastic imitation awnings used by others in the industry.

Available in red, yellow, orange, blue and green.
