Ciclofan's historical success is based on their attention to detail, high quality materials, experience and long-standing reliability.

The Grande Delfino has been a mainstay in the global commercial rental market at hotels, resorts and other recreational areas worldwide for decades. Thousands of families have enjoyed the Grande Delfino on vacations and weekend getaways at locations such as Walt Disney World.

Ciclofan's former U.S. distributor in California has introduced its new Chinese imitations, but there is only one Ciclofan and only one Grande Delfino. International Surrey Company, the sole and exclusive importer / distributor of the Grande Delfino in the United States, is committed to offering this well-renowned, product at the best price ever!
